

How to search and browse Emerald Insight

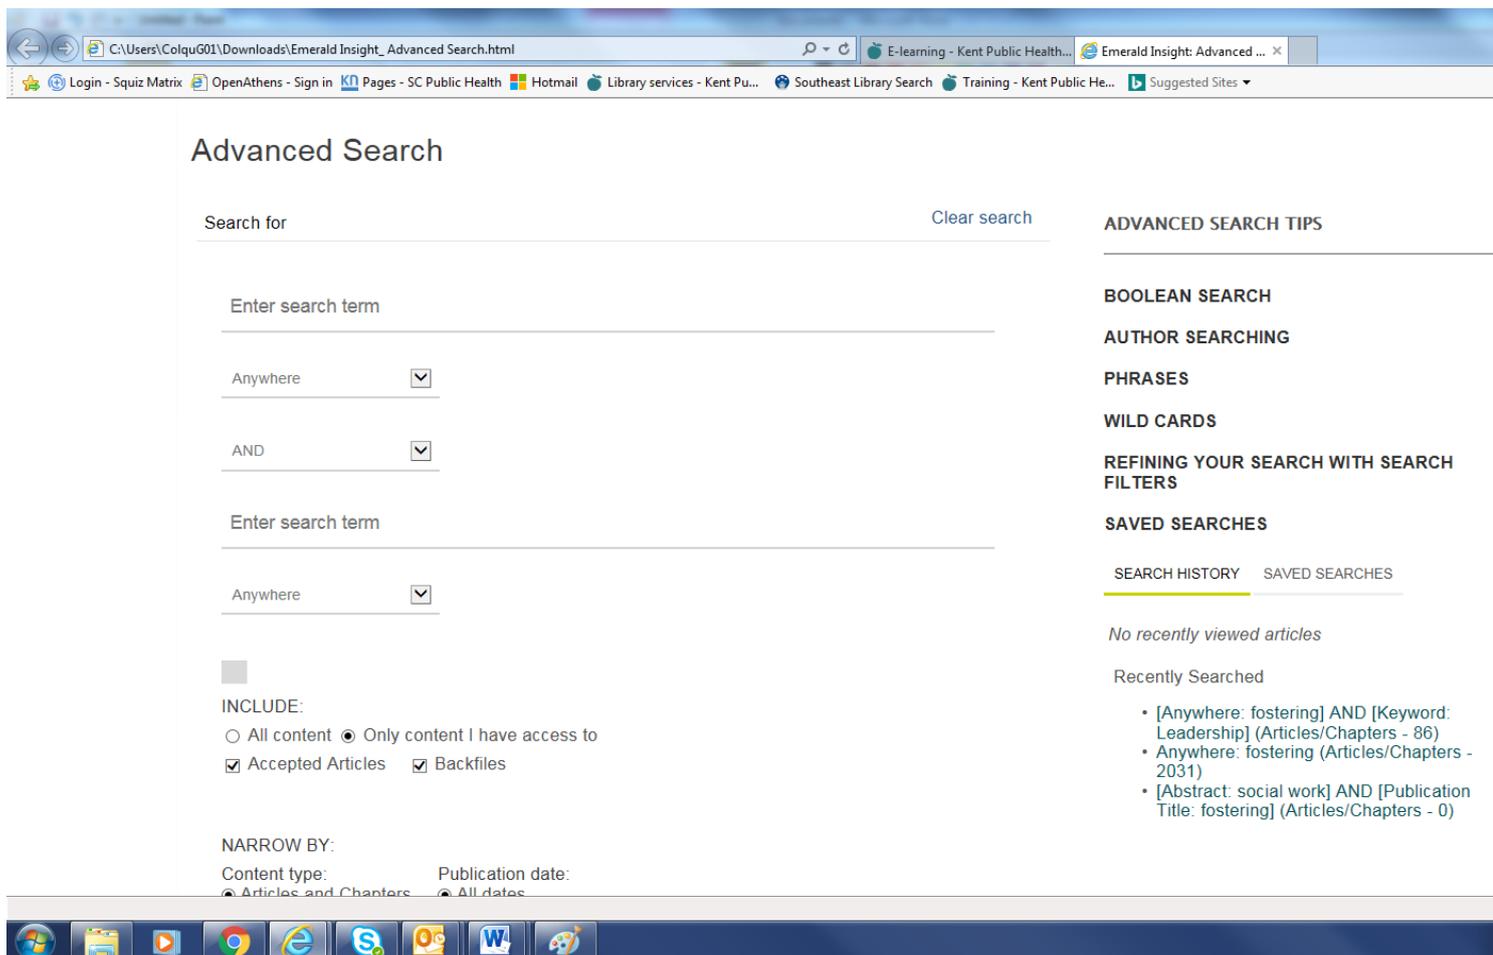

The library subscribes to a selection of health and social care management journals from Emerald. You can search them all together by using the Emerald Insight interface.

Login

Sign into MyAthens: https://auth.athensams.net/?ath_returl=%2Fmy&ath_dspid=ATHENS.MY
Select 'Emerald Insight' then 'Advanced Search' at top right hand of page.

Advanced Search

- Enter your word or phrase in the search box
- Refine your search by selecting the field in which you wish to search
- Use the drop down options to access the Boolean operators: 'AND', 'OR', 'NOT'.
- Select 'Only Content I have access to'
- Narrow your search further by using the content and publication date filters

The screenshot shows the Emerald Insight Advanced Search page. The main search area includes two search boxes, each with a dropdown menu set to 'Anywhere'. Between the boxes is a dropdown menu set to 'AND'. Below the search boxes are options to 'INCLUDE' (radio buttons for 'All content' and 'Only content I have access to', with 'Only content I have access to' selected) and checkboxes for 'Accepted Articles' and 'Backfiles'. At the bottom, there are 'NARROW BY' options for 'Content type' (radio buttons for 'Articles and Chapters' and 'All dates', with 'Articles and Chapters' selected) and 'Publication date' (radio buttons for 'All dates' and 'All dates', with 'All dates' selected).

On the right side, there is a sidebar with the following sections:

- ADVANCED SEARCH TIPS
- BOOLEAN SEARCH
- AUTHOR SEARCHING
- PHRASES
- WILD CARDS
- REFINING YOUR SEARCH WITH SEARCH FILTERS
- SAVED SEARCHES
- SEARCH HISTORY (highlighted)
- SAVED SEARCHES
- No recently viewed articles
- Recently Searched
 - [Anywhere: fostering] AND [Keyword: Leadership] (Articles/Chapters - 86)
 - Anywhere: fostering (Articles/Chapters - 2031)
 - [Abstract: social work] AND [Publication Title: fostering] (Articles/Chapters - 0)

After you have run the search you have the option to:

Refine search results: a 'refine search' panel will be displayed on the right of the search results page where you can further refine your search results. For example, you can select one of the listed filters such as 'keywords' to limit the search results to publications with only that keyword.

Save search results: saving your search allows you to easily re-run the same search in the future. To save a search or run a saved search, you must be logged in to Emerald Insight through your own personal user account. You can also sign up for search alerts, which email you the results of the selected search at the specified time interval.

Search Tips

AND – results contain all of the terms entered

OR – results contain any one of the terms entered

NOT – results contain one term but do not contain another

WILD CARDS – use an asterisk (*) to represent zero or more characters in the middle or end of a search string
